Extending Hope

Extending Hope Event Information

Foster Arizona has been “Extending Hope" in the lives of kids in the Arizona foster care system for over seven years. This year's fundraising gala is all about sharing hope through the lives that we can change with the continued support of the community. This cocktail-attire evening will feature a 3-course, seated meal, open bar, live music, and a silent auction.

Join us for our 5th Annual Extending Hope Gala to support Foster Arizona’s mission on educating, encouraging, and empowering Arizonans to positively impact the lives of kids in foster care. All proceeds raised will continue to connect hope in the lives of some of Arizona's most vulnerable children.

Educate. Encourage. Empower

Foster Arizona is a non-profit public charity focused on educating, encouraging, and empowering Arizonans to positively impact the lives of kids in foster care. Our vision is that every child in Arizona's foster care system will be empowered, supported, and have the opportunity to enrich their lives through intentional community connections.

We believe that every child deserves to be valued and supported by their local community. We believe children thrive in a family setting with parental figures empowered to succeed, equipped with quality resources, and connected to community. We believe that ordinary people can foster hope and change a life. And, we believe that education and collaboration is key in changing the future for Arizona's children.

WHAT WE DO

Foster Arizona Housing Project, in partnership with Keys to Success, launched in March 2018 to provide aged-out youth from foster care transitional housing, mentors, opportunities for growth and learning, and ongoing support.

Foster Arizona's Kid Connection Events focus on kids within the Arizona foster care system. These events provide a real-life point of connection between kids and the members of the community interested in supporting them, through meeting a practical need they have or allowing them to "just be kids" for a day.

Through our work with multi-media, we tell stories of incredible adoptable kids in the foster system through our **Meet the Kids** videos along with real stories of individuals involved in foster care to break down barriers and help encourage others to get involved and make a difference.

Connections and support in the foster care system are a critical component to success. **Foster Cooperative** is a digital community distribution platform for champions of at-risk children to find connections, peer-to-peer supports, quality resources and training, community events, and innovative communication methods in order to empower those caring for kids with tools needed to succeed.

Foster Arizona's **Educational Blog** is collaboration of voices, expertise, and resources to help educate, encourage, and empower Arizonans on their journey to getting involved with kids in Arizona's foster care system.
